Support MHL Connectivity*

ML1000 Ultra-Slim LED Projector

This powerful, lightweight and portable projector projects vibrant HD ready images up to an impressive 100". Weighing only 1.4kg you can easily transport it between meetings. Packed full of features the ML1000 incorporates a media player, native office viewer and built-in speakers with SRS WOW audio processing. It also includes an SD card slot, USB connection and optional wireless capabilities providing you with ultimate flexibility. Perfect for viewing Microsoft Office & Adobe PDF files, photos and videos. Using the latest “Lamp-free” technology for exceptional colour fidelity, reliability and longevity, the Optoma ML1000 is your perfect entertainment and business partner.

Media Player and Native Office Viewer

Play videos, photos, Microsoft Office & Adobe PDF files directly from the internal memory, a SD card or USB stick and view them directly on the projector without the need to connect the projector to a laptop, PC or DVD player.

Wireless Presentations-WiFi-Doc

Present from your phone or tablet using the free App: WiFi-Doc. Available for both Android and iOS devices, WiFi-Doc gives you the freedom to wirelessly share and present documents and photos stored on your mobile device. Creating a more connected and collaborative experience for everyone. Instantly connect and display presentation material wirelessly from a PC, Mac or mobile device using the optional mini WiFi dongle which connects discreetly to the USB port on your ML1000, bringing you seamless wireless connectivity in a highly portable package. Enjoy big-screen presentations streamed to your projector, cable-free.

AUTO KEYSTONE

Auto keystone correction helps ensure that the projected image will always fit the area on which you are projecting.

AUDIO WOW - SRS WOW HD™ SURROUND SOUND

Embrace the WOW factor with SRS WOW HD surround sound audio processing to create a more natural audio experience, with a deep, rich bass response.

Easy to set up without the need for costly external speakers the ML1000 offers exceptional sound quality with powerful on-board 6W stereo audio.

Easy Connectivity-MHL*

ML1000 supports MHL Connectivity, you can connect a MHL enabled mobile device with a single cable solution*.

It allows you to enlarge your devices screen to a 100" screen. It's ideal for streaming movies and viewing files and photos stored on your mobile device.

*MHL cable is not a standard accessory of the ML1000 projector
